15 Plaintiff,
16 v.
17

18 AEROFLEX INCORPORATED, ET AL.,
19 Defendants.

20 TO ALL PARTIES AND COUNSEL OF RECORD:

21 The above matters were referred to Magistrate Judge Joseph C. Spero for settlement purposes.

22 You are hereby notified that a Settlement Conference is scheduled for **June 6, 2006, at 9:30 a.m.**,
23 in Courtroom A, 15th Floor, Federal Building, 450 Golden Gate Avenue, San Francisco, California 94102.

24 **Additionally, the following individuals and counsel are ORDERED to meet and confer in**
25 **person on or before May 16, 2006, to discuss settlement: Dr. Aart de Geus and Mr. Rex Jackson**
26 **(on behalf of Synopsys), Mr. Terumota Nonaka and Mr. Kenji Takaguchi (on behalf of Ricoh),**
27 **and, if the clients desire, their lead trial counsel. Ricoh Company, Ltd. shall submit a settlement**
28 **proposal, in writing, with a copy to the undersigned, no later than May 2, 2006. A**

1 response/counter-proposal from Synopsys, Inc. and Aeroflex, et al. shall be submitted, also in
2 writing and with a copy to the undersigned, no later than May 9, 2006.

3 It is the responsibility of counsel to ensure that whatever discovery is needed for all sides to
4 evaluate the case for settlement purposes is completed by the date of the Settlement Conference. Counsel
5 shall cooperate in providing discovery informally and expeditiously.

6 Lead trial counsel shall appear at the Settlement Conference with the parties. Dr. de Geus, Mr.
7 Jackson, Mr. Nonaka, and Mr. Takaguchi shall also attend the Settlement Conference. Any party who is
8 not a natural person shall be represented by the person(s) with **unlimited** authority to negotiate a
9 settlement. A person who needs to call another person not present before agreeing to any settlement does
10 not have unlimited authority. If a party is a governmental entity, its governing body shall designate one of its
11 members or a senior executive to appear at the Settlement Conference with authority to participate in the
12 Settlement Conference and, if a tentative settlement agreement is reached, to recommend the agreement to
13 the governmental entity for its approval. An insured party shall appear with a representative of the carrier
14 with full authority to negotiate up to the limits of coverage. Personal attendance of a party representative
15 will rarely be excused by the Court, and then only upon separate written application demonstrating
16 substantial hardship served on opposing counsel and lodged as early as the basis for the hardship is known
17 but no later than the Settlement Conference Statement.

18 **Each party shall prepare a Settlement Conference Statement, which must be lodged with**
19 **the undersigned's Chambers no later than May 23, 2006.** The Settlement Conference Statement
20 should **not** be electronically filed with the Clerk of the Court, and need not be served on opposing counsel.
21 The parties are encouraged, however, to exchange Settlement Conference Statements. If Settlement
22 Conference Statements are exchanged, any party may submit an additional confidential settlement letter to
23 the Court. The contents of this confidential settlement letter will not be disclosed to the other parties.

24 The Settlement Conference Statement shall include the following:

- 25 1. A brief statement of the facts of the case.
26 2. A brief statement of the claims and defenses including, but not limited to, statutory or other
27 grounds upon which the claims are founded, and a **candid** evaluation of the parties' likelihood of prevailing
28 on the claims and defenses. The more candid the parties are, the more productive the conference will be.

United States District Court

For the Northern District of California

1 3. A list of the key facts in dispute and a brief statement of the **specific** evidence relevant to a
2 determination of those facts.

3 4. A summary of the proceedings to date and any pending motions.

4 5. An estimate of the cost and time to be expended for further discovery, pretrial and trial.

5 6. The relief sought, including an itemization of damages.

6 7. The party's position on settlement, including present demands and offers and a history of
7 past settlement discussions. The Court's time can best be used to assist the parties in completing their
8 negotiations, not in starting them. The parties are urged to carefully evaluate their case before taking a
9 settlement position since extreme positions hinder the settlement process.

10 Settlement Conference Statements **may** be submitted on CD-ROM with hypertext links to exhibits.

11 Otherwise, the portion of exhibits on which the party relies shall be highlighted.

12 It is not unusual for the conference to last three (3) or more hours. Parties are encouraged to
13 participate and frankly discuss their case. Statements they make during the conference will not be
14 admissible at trial in the event the case does not settle. The parties should be prepared to discuss such
15 issues as:

16 1. Their settlement objectives.

17 2. Any impediments to settlement they perceive.

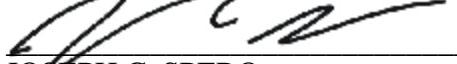

18 3. Whether they have enough information to discuss settlement. If not, what additional
19 information is needed.

20 4. The possibility of a creative resolution of the dispute.

21 The parties shall notify Chambers immediately at (415) 522-3691 if this case settles prior to the
22 date set for Settlement Conference. Counsel shall provide a copy of this order to each party who will
23 participate in the conference.

24 IT IS SO ORDERED.
